UAI SPOKESPERSONS BY SUBJECT AREA

1. Adoption

María Josefina Escobar

Doctor in Psychotherapy, Pontificia Universidad Católica de Chile - Universidad de Chile - Universität Heidelberg, Germany.

Master in Psychology, Clinical Psychology for Children and Youth, Universidad de Chile.

Master in Psychotherapy, Pontificia Universidad Católica de Chile.

Bachelor in Psychology, Universidad Católica de Cuyo, San Juan, Argentina.

School of PSYCHOLOGY

(+56 2) 2331 1742

mjosefina.escobar@uai.cl

Specific areas: early bonding, attachment, adoption, institutionalization-foster homes.

2. Anthropology

Michelle Sadler

Social Anthropologist and Master in Gender Studies, Universidad de Chile. Master of Science in Medical Anthropology, Oxford University, England.

College of LIBERAL ARTS

(+56 2) 2331 1897

michelle.sadler@uai.cl

Specific areas: sexual and reproductive rights, model of gestation-birth-nurture care, interactions between health systems, problems with current health models.

3. Arab-Israeli Conflict

Ignacio Morales

Master's degree in Theory and History of International Relations, London School of Economics and Political Science (LSE), England. Master in History of Politics and International Relations, Pontificia Universidad Católica de Valparaíso. Bachelors of History, Universidad Adolfo Ibáñez.

College of LIBERAL ARTS

imorales@uai.cl

4. Architecture and Digital Manufacturing

Diego Pinochet

Master of Science in Architecture Studies, Computation, Massachusetts Institute of Technology (MIT), United States. Architect and Master in Architecture, Pontificia Universidad Católica de Chile.

DESIGN LAB

(+562) 2331 12 54

diegopinochet@gmail.com

Mario Vergara

Master in Architecture, Pratt Institute, New York, United States.
Architect, Universidad Central.

DESIGN LAB

(+562) 2331 17 76

mario.vergara@uai.cl

Pablo Saric

Master of Science in Advanced Architectural Design, Columbia University. Master in Architecture, Critique and Design, Universidad Politécnica de Cataluña, Barcelona.
Architect, Universidad Central de Chile.

DESIGN LAB

(+562) 2331 11 73

pablo.saric@uai.cl

Sergio Araya

PhD in Architecture, Design and Computation, Massachusetts Institute of Technology (MIT), United States. Master of Science in Architecture (MIT), United States. Architect and Master in Architecture, Pontificia Universidad Católica de Chile.

DESIGN LAB

(+562) 2331 17 02

sergio.araya@uai.cl

5. Architecture, Urbanism, and Landscaping

Felipe Vera

Master in Design Studies Urbanism, Landscape and Ecology in Harvard GSD
Architect, Universidad de Chile.

DESIGN LAB

(+562) 23311766

luis.vera@uai.cl

6. Artificial Intelligence

John Atkinson

Ph.D. in Artificial Intelligence, University of Edinburgh, United Kingdom.

Computer Engineer, Universidad Técnica Federico Santa María (UTFSM), Valparaíso, Chile.

College of ENGINEERING AND SCIENCE

(+56 2) 2331 1877

john.atkinson@uai.cl

Specific Area: Engineering.

7. Big Data

John Atkinson

Ph.D. in Artificial Intelligence, University of Edinburgh, United Kingdom.

Computer Engineer, Universidad Técnica Federico Santa María (UTFSM), Valparaíso, Chile.

College of ENGINEERING AND SCIENCE

(+56 2) 2331 1877

john.atkinson@uai.cl

Specific Area: big data.

María Paz Hermosilla

Master in Public Administration from the University of New York, United States.

Journalist, Pontificia Universidad Católica de Chile.

School of GOVERNMENT

(+56 2) 2331 1469

paz.hermosilla@uai.cl

Specific Area: public innovation, big data, open data, crowdsourcing.

8. Bioengineering

Cedric Little

Industrial Engineer and Doctor of Engineering Sciences, Pontificia Universidad Católica de Chile.

College of ENGINEERING AND SCIENCE

(+56 32) 250 3757

cedric.little@uai.cl

Specific areas: ecology and sustainability.

Juan Francisco Vivanco

Civil Engineer, Universidad Tecnológica Federico Santa María, Master in Mechanical Engineering and Ph.D. Materials Science-Biomechanics, University of Wisconsin, United States.

College of ENGINEERING AND SCIENCE

(+56 32) 250 3762

juan.vivanco@uai.cl

Specific areas: biomaterials.

9. Biological Sciences

Bernardo González

Doctor of Biological Sciences, Universidad Católica de Chile.

Bachelor of Biochemistry, Universidad de Chile.

College of ENGINEERING AND SCIENCE

(+56 2) 2331 1619

bernardo.gonzalez@uai.cl

Specific areas: biochemistry, biotechnology, molecular genetics, environmental microbiology, science in Chile.

10. Chile-Bolivia Conflict

Gonzalo Serrano

Doctor in History, Pontificia Universidad Católica de Valparaíso.

Master in History, Pontificia Universidad Católica de Valparaíso.

Bachelor of History and Journalism, Universidad Adolfo Ibáñez.

College of LIBERAL ARTS

(+56 32) 250 3861

gserrano@uai.cl

Specific Areas: History of 19th Century Chile, Chile and Neighborhood Relations: Argentina, Bolivia and Peru and History of Football.

11. Concessions and Economic Regulation

Marcelo Villena

PhD. and M.Phil., University of Cambridge, England.

M.A., University of Leeds, England.

Civil Industrial Engineer, Universidad de La Frontera, Chile.

College of ENGINEERING AND SCIENCE
(+56 2) 2331 1491
marcelo.villena@uai.cl

12. Corporate Governance

Germán Heufemann

Commercial Engineer, Universidad Adolfo Ibáñez.
School of BUSINESS
german.heufemann@uai.cl

Gonzalo Islas

Ph.D. in Economics, University of California, Los Angeles, United States.
School of BUSINESS
(+56 2) 2331 1303
gonzalo.islas@uai.cl
Specific areas: Chilean economic history and corporate governance.

Oswaldo Lagos

Doctor of Law, Universidad de los Andes, Chile.
Lawyer, Universidad Adolfo Ibáñez.
College of LAW
(+56 2) 2331 1117
osvaldo.lagos@uai.cl
Specific areas: Consumers, Corporate Governance, Insurance and Companies.

13. Earthquakes and natural disasters in Chile

Alfredo Palacios

Doctor, Universidad de Sevilla, Spain.
Master in History, Universidad de Chile.
Bachelor of Education, Universidad Raúl Silva Henríquez, Chile.
College of LIBERAL ARTS
(+56 2) 2331 1888
alfredo.palacios@uai.cl
Specific areas: Earthquakes and natural disasters in Chile.

Patricio Toledo

Doctor of Science with a mention in Geology, Universidad de Chile.
College of ENGINEERING AND SCIENCE

(+56 2) 2331 1296

patricio.toledo@uai.cl

Specific areas: geology, hydraulically fractured mining, *in-situ* hydromining and numerical modeling, pattern recognition applied to the detection and prognosis of seismicity in the crust.

14. Eating disorders

Claudia Cruzat

Psychology, Universidad de Concepción, Chile.

Master in Psychology mention Clinical Psychology, Pontificia Universidad Católica de Chile.

Master in Psychotherapy, Pontificia Universidad Católica de Chile.

PhD, Research in Psychotherapy, a joint program of the Pontificia Universidad Católica de Chile, Universidad de Chile, Universität Heidelberg, Germany.

School of PSYCHOLOGY

(+56 2) 2331 1648

claudia.cruzat@uai.cl

Specific areas: clinical psychology, eating disorders, research in psychotherapy, qualitative research methodology.

15. Economics

Alejandra Marinovic

Ph.D. in Economics, Columbia University, United States.

Master in Philosophy in Economics, Columbia University, USA. Master in Economics, Pontificia Universidad Católica de Chile, Master of Arts, Columbia University, USA Commercial Engineer and Bachelor in Economics, Pontificia Universidad Católica de Chile.

School of BUSINESS

(+56 2) 2331 1628

alejandra.marinovic@uai.cl

Specific areas: international economics, macro-economics, growth, competition, public policy, collusion.

Alejandro Montecinos

Ph. D. in Economics, University of Notre Dame, United States.

Master of Arts in Economics, University of Notre Dame, United States.

Master in Economics with a mention in Public Policies, Pontificia Universidad Católica de Chile. Commercial Engineer, Universidad Adolfo Ibáñez.

School of BUSINESS

(+56 32) 2250 3859

amontecinos@uai.cl

Specific areas: strategies in innovation, research and development, industrial development, R&D, public policies in innovation.

Diana Krüger

Ph. D. in Economics, University of Maryland, United States.

MBA, University of Texas, United States.

Master of Arts in Economics, University of Maryland, USA

School of BUSINESS

(+56 32) 2250 3837

diana.kruger@uai.cl

Specific areas: economic development, child labor, schooling and adolescent motherhood.

Francisco Parro

Ph. D. in Economics, University of Chicago, United States.

Master in Economics and Commercial Engineer, with a mention in Economics, Pontificia Universidad Católica de Chile.

School of BUSINESS

(+56 2) 2331 1166

francisco.parro@uai.cl

Specific areas: macroeconomics, public policies and Monthly Business Confidence Index (MBCI) with Icare.

Juan Pedro Eberhard

PhD and Master of Arts in Economics, Yale University, United States.

Master in Applied Economics, Universidad de Chile.

Civil Mathematical Engineer, Universidad de Chile.

School of BUSINESS

(+56 32) 2250 3734

juan.eberhard@uai.cl

Specific areas: immigration, vocational training and technical education, collusion, competition, modernization of the state, economic growth and regional migration.

Juan Pablo Medina

Doctor of Philosophy in Economics, University of California, Los Angeles, United States.

School of BUSINESS

(+56 2) 2331 1071

juan.medina@uai.cl

Specific areas: macroeconomics, international economics and international finance.

Pablo Pincheira

Civil Mathematical Engineer, Universidad de Chile, Ph. D. in Economics, University of Wisconsin-Madison, United States.

School of BUSINESS

(+56 2) 2331 1489

pablo.pincheira@uai.cl

Specific areas: macroeconomics, macroeconomic reform and commodities.

16. Economics, Health

Florencia Borrescio

Ph.D. in Economics, Brown University, United States.

School of GOVERNMENT

(+562) 2331 1286

florencia.borrescio@uai.cl

Guillermo Paraje

Ph.D. in Economics, University of Cambridge, United Kingdom.

MBA, University of Cambridge, England.

Master in Economics, Georgetown University, United States.

Master of Philosophy in Economics, University of Cambridge, United Kingdom.

Bachelor of Economics, Universidad Nacional de Córdoba, Argentina.

School of BUSINESS

(+56 2) 2331 1380

guillermo.paraje@uai.cl

Specific areas: tobacco tax, alcohol tax, increases in ISAPRE [*Chilean health insurance*] plans.

Nieves Valdés

Ph.D. in Economics, Universidad Carlos III de Madrid, Spain.

School of GOVERNMENT

(+562) 2331 1361

nieves.valdes@uai.cl

17. Economics, Regional

Patricio Aroca González

Ph.D. in Economics, University of Illinois, United States.

MSc in Economic Policy, University of Illinois, United States.

Master in Economics, Universidad de Chile.

Commercial Engineer, Universidad Austral de Chile.
Director of the UAI Center for Regional Economics and Policy.

School of BUSINESS

(+56 32) 250 3898

patricio.aroca@uai.cl

Specific Areas: regional economy, mining and natural resources, decentralization, regional inequalities and regional policy.

18. Electoral Policy and Contemporary Policy

Cristóbal Bellolio

PhD. in Political Philosophy and Master in Political and Legal Theory, University College London (UCL), England.

Lawyer and Bachelor in Political Science, Pontificia Universidad Católica de Chile.

School of GOVERNMENT

cristobal.bellolio@uai.cl

Specific areas: political participation, electoral politics, political analysis.

Daniel Brieba

Doctor of Political Science, University of Oxford, United Kingdom.

School of GOVERNMENT

(+562) 2331 1050

daniel.brieba@uai.cl

Specific areas: electoral participation.

Fernando Wilson

Master in Political Science, mention International Relations, Universidad Católica de Chile.

Diploma in Defense Policy Management and Formulation, CHADS / National Defense University, Washington, United States.

Bachelor in History, Universidad Católica de Valparaíso.

College of LIBERAL ARTS

(+56 32) 250 3865

fernando.wilson@uai.cl

Specific areas: Naval History, America's political and military history, International Relations, security and defense, analysis.

Francisco Covarrubias

Master of Art in Economics, Universidad de Navarra, Spain.

Dean of the College of LIBERAL ARTS.

College of LIBERAL ARTS

(+56 2) 2331 1625
francisco.covarrubias@uai.cl

Jorge González Aravena

PhD. in Political Science, University of Texas at Austin, United States.
Commercial Engineer, Universidad Adolfo Ibáñez.
School of GOVERNMENT
(+56 32) 250 3706

jorge.gonzalez@uai.cl

Specific areas: political and electoral studies, and survey analysis.

Karen Trajtemberg

Master in Strategic Communication, Universidad Adolfo Ibáñez, Chile.
Journalist and Political Scientist, Universidad Gabriela Mistral, Chile.
School of JOURNALISM
(+56 32) 250 3891

karent@uai.cl

Specific areas: current affairs, political communication, national political analysis and regional contemporary issues.

Max Colodro

Sociologist and Doctor of Philosophy, Pontificia Universidad Católica de Chile.
Academic Director, UAI Master in Political Communication.
School of JOURNALISM
(+562) 2331 1120

max.colodro@uai.cl

19. Electronics and Art

Carolina Pino

Master in Interactive Telecommunications Program, Tisch School of the Arts, New York University, United States.

Postgraduate studies, Pontificia Universidad Católica de Chile and College of Arts at the University of Columbia, Bachelor of Arts, Universidad de Chile.

DESIGN LAB

(+562) 2331 12 04

maria.pino@uai.cl

20. Energy

Alejandro Jadresic

PhD. in Economics, University of Harvard, United States.
Civil Industrial Engineer, Universidad de Chile.
Dean, College of ENGINEERING AND SCIENCE.
College of ENGINEERING AND SCIENCE
(+56 2) 2331 1181

alejandro.jadresic@uai.cl

Specific areas: engineering education and energy policy.

Carlos Silva

Doctor of Philosophy, University of Minnesota, United States.
Master of Science, Universidad Católica de Chile.
Electrical Industrial Engineer, Universidad Católica de Chile.
College of ENGINEERING AND SCIENCE
(+56 2) 2331 1456

c.silva@uai.cl

Specific areas: electricity markets, planning and operation of electrical systems, energy and non-conventional renewable energies.

Filippo Genco

PhD. In Nuclear Engineering, Purdue University, United States.
College of ENGINEERING AND SCIENCE
(+56 2) 2331 1948

filippo.genco@uai.cl

Specific areas: nuclear energy.

Gustavo Cáceres

Doctor in Mechanics, École nationale supérieure d'arts et métiers, France.
Postdoctorate in Thermal Energy Storage, Centre national de la recherche scientifique (CNRS), France.
Diplôme d'Études Approfondies in Engineering Sciences, École nationale supérieure d'arts et métiers, France.
Civil Mechanical Engineer, Universidad de Santiago de Chile.
College of ENGINEERING AND SCIENCE
(+56 2) 2331 1598

gustavo.caceres@uai.cl

Specific areas: solar thermal energy and solar power plants (CSP and PV), lithium.

José Maldifassi

PhD. in Management, Polytechnic Institute, N.Y. United States.
MBA Rensselaer, Polytechnic Institute, N.Y. United States.
M.Sc. in Nuclear Engineering, M.I.T. United States.

M.Sc. in Mechanical Engineering, M.I.T. United States.
Naval Electrical Engineer, Academia Politécnica Naval, Chile.
College of ENGINEERING AND SCIENCE
(+56 32) 250 3753
jose.maldifassi@uai.cl
Specific areas: nuclear energy.

Raúl O’Ryan

Civil Electrical Engineer, Universidad de Chile.
Master in Industrial Engineering, Universidad de Chile.
Ph.D. in Economics, University of California, Berkeley, United States.
College of ENGINEERING AND SCIENCE
(+56 2) 2331 1782
raul.oryan@uai.cl
Specific areas: environmental and resource economics, climate change, lithium commission.

21. Engineering Education

Alejandro Jadresic

PhD. in Economics, University of Harvard, United States.
Civil Industrial Engineer, Universidad de Chile.
Dean, College of ENGINEERING AND SCIENCE.
College of ENGINEERING AND SCIENCE
(+56 2) 2331 1181
alejandro.jadresic@uai.cl
Specific areas: energy policy.

José Maldifassi

PhD. in Management, Polytechnic Institute, N.Y. United States.
MBA Rensselaer, Polytechnic Institute, N.Y. United States.
M.Sc. in Nuclear Engineering, M.I.T. United States.
M.Sc. in Mechanical Engineering, M.I.T. United States.
Naval Electrical Engineer, Academia Politécnica Naval, Chile.
College of ENGINEERING AND SCIENCE
(+56 32) 250 3753
jose.maldifassi@uai.cl
Specific areas: nuclear energy.

Marcelo Villena

PhD. and M.Phil., University of Cambridge, England.
M.A., University of Leeds, England.

Civil Industrial Engineer, Universidad de La Frontera, Chile.
College of ENGINEERING AND SCIENCE
(+56 2) 2331 1491
marcelo.villena@uai.cl
Specific areas: economics, public policy.

22. Engineering, Natural Disasters

Pablo Parra

Ph.D. in Civil Engineering, University of California, Berkeley, United States.
College of ENGINEERING AND SCIENCE
(+56 2) 2331 1477
pablo.parra@uai.cl

Ricardo Moffat

Doctor of Philosophy in Civil Engineering, University of British, Columbia, Canada.
College of ENGINEERING AND SCIENCE
(+56 2) 2331 1786
ricardo.moffat@uai.cl

23. Environment

Claudia Pabon

Ph. D. in Environmental Sciences and Ecology and Resource Conservation,
Wageningen University, Netherlands.
College of ENGINEERING AND SCIENCE
(+56 2) 2331 1456
claudia.pabon@uai.cl
Specific areas: Environment, water treatment, urban circular economy.

José Luis Campos

Doctor of Chemical Engineering, Universidad Santiago de Compostela, Spain.
College of ENGINEERING AND SCIENCE
(+56 32) 250 3716
jluis.campos@uai.cl
Specific areas: water treatment and pollution.

Marco Lardies

Dr. Biological Sciences, Ecology Mention, P. Universidad Católica de Chile.

Marine Biologist, Universidad Austral de Chile.
College of LIBERAL ARTS
(+56 2) 23311583

marco.lardies@uai.cl

Specific areas: evolutionary ecology, ecophysiology of ectotherms, impacts of climate change on marine and terrestrial invertebrates.

24. Family Businesses

Francisca Sinn

Ph. D. in Engineering Sciences, Pontificia Universidad Católica de Chile.

Commercial Engineer, Pontificia Universidad Católica de Chile.

School of BUSINESS

(+56 2) 2331 1459

francisca.sinn@uai.cl

Specific areas: business strategy and general management.

Horacio Arredondo

MBA, Universidad Adolfo Ibáñez. Postgraduate Specialization in Corporate Finance, Universidad de la República, Uruguay.

School of BUSINESS

(+56 2) 2331 1260

horacio.arredondo@uai.cl

Specific areas: corporate strategy, family businesses and financial management.

Patricio Durán

Ph.D. in Business Administration, International Business, University of South Carolina, United States.

Commercial Engineer, Universidad de Chile.

School of BUSINESS

(+56 2) 2331 1214

patricio.duran@uai.cl

Specific areas: business strategy, global strategy and family businesses.

25. Finance

Andrés Toledo Acuña

MBA, Babson College, United States.

Commercial Engineer, Universidad Adolfo Ibáñez.

School of BUSINESS

(+56 32) 250 3777

atoledo@uai.cl

Specific areas: corporate finance; family business finance; project evaluation; quantitative methods; financing strategies; financial planning; stock market; financial market and managerial oversight.

Héctor Osorio

Master in Economics. Master in Finance.

Master of Military Sciences.

Accounting and Auditing.

Graduate of Center for Hemispheric Defense Studies, National Defense University WDC, United States.

Executive Director of the Financial Innovation Center

School of BUSINESS

hector.osorio@uai.cl

Pablo Castañeda

Ph.D. in Economics, Boston University, United States.

Master of Arts in Political Economy, Boston University, United States.

Commercial Engineer and Bachelor in Economic Sciences, Universidad de Chile.

School of BUSINESS

(+56 2) 2331 1193

pablo.castaneda@uai.cl

Specific areas: asset analysis (fixed income, variable), pension system.

Salvador Zurita

Ph.D. in Management, Master of Arts in Applied Mathematics, and Master of Arts in Economics, University of California, Los Angeles (UCLA), United States.

Master of Theology, Dallas Theological Seminary (DTS), United States.

School of BUSINESS

(+56 2) 2331 1450

salvador.zurita@uai.cl

Specific areas: financial innovation, securitization, capital market characteristics and financial aspects in the pension fund system, competition, equities, fixed income, collusion and financial instruments.

26. Fire and Combustion

Pedro Reszka

Ph.D. in Fire Safety Engineering, University of Edinburgh, United Kingdom.

College of ENGINEERING AND SCIENCE

(+56 2) 2331 1422

pedro.reszka@uai.cl

Specific areas: fire safety, thermal systems, combustion and heat transfer with applications to energy conversion, biomass combustion, energy efficiency.

27. Gender

Michelle Sadler

Social Anthropologist and Master in Gender Studies, Universidad de Chile.

Master of Science in Medical Anthropology, University of Oxford, England.

College of LIBERAL ARTS

(+56 2) 2331 1897

michelle.sadler@uai.cl

Specific areas: sexual and reproductive rights, model of gestation-birth-nurture care, interactions between health systems, problems with current health models.

28. Geology and Earthquakes

Patricio Toledo

Doctor of Science with a mention in Geology, Universidad de Chile.

College of ENGINEERING AND SCIENCE

(+56 2) 2331 1296

patricio.toledo@uai.cl

Specific areas: geology, hydraulically fractured mining, *in-situ* hydromining and numerical modeling, pattern recognition applied to the detection and prognosis of seismicity in the crust.

29. Global Warming

Marco Antonio Lardies

Doctor of Biological Sciences mention Ecology, Pontificia Universidad Católica de Chile.

College of LIBERAL ARTS

(+56 2) 23311583

marco.lardies@uai.cl

Specific areas: evolutionary ecology, biological sciences.

30. Happiness

Wenceslao Unanue

Ph. D. in Economic Psychology, University of Sussex, United Kingdom.

Master in Economics, Pontificia Universidad Católica de Chile.

Master in Applied Social Psychology, Universidad de Sussex, United Kingdom.

Commercial Engineer mention Economics, Pontificia Universidad Católica de Chile.

Psychologist, Universidad Católica de Chile.

School of BUSINESS

(+56 2) 2331 1550

wenceslao.unanue@uai.cl

Specific areas: public policy, economic psychology, human happiness and well-being, consumer behavior and economic development.

31. Heritage

Fernando Guzmán

Doctor in History of Art, Universidad de Sevilla.

Diplôme d'Études Approfondies in History of Art, Universidad de Sevilla.

Bachelor in Art Theory and History, Universidad de Chile.

Director Graduate Studies, UAI College of LIBERAL ARTS.

College of LIBERAL ARTS

(+56 2) 2331 1281

fernando.guzman@uai.cl

Specific areas: History of art, Colonial American art, Chilean art, Cultural heritage.

Rodrigo Moreno

Doctor in History of America, Universidad de Sevilla, Spain.

Diplôme d'Études Approfondies in History of America, Universidad de Sevilla, Spain.

Bachelor of History, Pontificia Universidad Católica de Valparaíso.
College of LIBERAL ARTS
(+56 32) 250 3827

rodrigo.moreno@uai.cl

Specific areas: Regional History, History and Heritage, History and strategy, Latin American History, History, Religions, modern cartography, and cases of History applicable to the teaching of strategy, innovation, entrepreneurship and leadership in the business world.

32. History

Andrés Estefane

Student of the Doctoral Program in History at New York State University at Stony Brook, United States.

Bachelor of History, Pontificia Universidad Católica de Chile.

School of GOVERNMENT

(+56 2) 331 1298

andres.estefane@uai.cl

Specific Area: bureaucracy, local power and production of state knowledge.

Juan Luis Ossa

DPhil in Modern History, MSc in Historical Research, St Antony's College, University of Oxford, England.

Bachelor of History, Pontificia Universidad Católica de Chile.

School of GOVERNMENT

(+56 2) 331 1585

juan.ossa@uai.cl

Specific Areas: Politics and History.

33. History, European

Tomás Villarroel

Doctor in History, Universität Würzburg, Germany.

Master in History, mention European History, Universidad de Chile.

Bachelor of History, Universidad Adolfo Ibáñez.

College of LIBERAL ARTS

(+56 32) 250 3896

tomas.villarroel@uai.cl

Specific Areas: History of Germany and Russia.

34. History, Football

Gonzalo Serrano

Doctor in History, Universidad Católica de Chile.
College of LIBERAL ARTS
(+56 32) 22503861
gserrano@uai.cl

35. History, Naval

Fernando Wilson Lazo

Master in Political Science, mention International Relations, Universidad Católica de Chile.
Diploma in Defense Policy Management and Formulation, CHADS / National Defense University, Washington, United States.
Bachelor in History, Universidad Católica de Valparaíso.
College of LIBERAL ARTS
(+56 32) 250 3865
fernando.wilson@uai.cl
Specific areas: Naval History, America's political and military history, International Relations, security and defense, analysis.

36. History, Religions

Rodrigo Moreno

Doctor in History of the Americas, Universidad de Sevilla, Spain.
Diplôme d'Études Approfondies in History of the Americas, Universidad de Sevilla, Spain.
Bachelor of History, Pontificia Universidad Católica de Valparaíso.
College of LIBERAL ARTS
(+56 32) 250 3827
rodrigo.moreno@uai.cl
Specific areas: Regional History, History and Heritage, History and strategy, Latin American History, History, Religions, modern cartography, and cases of History applicable to the teaching of strategy, innovation, entrepreneurship and leadership in the business world.

37. Information Security

Rafael Cereceda

Master in Business Engineering Information Technologies, Universidad Adolfo Ibáñez.
College of ENGINEERING AND SCIENCE
(+56 2) 2331 1912
rafael.cereceda@uai.cl

38. Innovation and Entrepreneurship

Carla Bustamante

PhD in Strategy and Entrepreneurship, University of Colorado at Boulder, United States.
Commercial Engineer and Master in Strategic Sales Management, Universidad Adolfo Ibáñez, Chile.
School of BUSINESS
(+56 2) 2331 1334
carla.bustamante@uai.cl

Felipe Oelckers

Doctor (c) in entrepreneurship, innovation and sustainability, Deusto Business School, País Vasco, Spain.
MBA, EGADE Business School, Tecnológico de Monterrey, Mexico.
M.Sc. Master of Science in Marketing, Commercial Engineer, Universidad Adolfo Ibáñez.
School of BUSINESS
(+56 32) 250 38 56
felipe.oelckers@uai.cl

Specific areas: new business, innovation, product development, entrepreneurship in the elderly.

Javier Traslaviña

Master in Consumer Behavior, Universidad Adolfo Ibáñez.
College of ENGINEERING AND SCIENCE
(+56 2) 2331 1511
javier.traslavina@uai.cl
Specific areas: design, innovation, consumer behavior.

José Miguel Benavente

Doctor of Philosophy in Economics, University of Oxford, United Kingdom.

School of BUSINESS

(+56 2) 2331 1229

jmbenavente@uai.cl

Specific areas: innovation economics and technology policy, evaluation of public programs, entrepreneurship.

39. Intellectual Property and Technology Transfer

Luis Nilo

Director, Office of Projects and Intellectual Property.

College of ENGINEERING AND SCIENCE

(+56 2) 2331 1718

luis.nilo@uai.cl

40. International Politics

Fernando Wilson Lazo

Master in Political Science, mention International Relations, Universidad Católica de Chile.

Diploma in Defense Policy Management and Formulation, CHADS / National Defense University, Washington, United States.

Bachelor in History, Universidad Católica de Valparaíso.

College of LIBERAL ARTS

(+56 32) 250 3865

fernando.wilson@uai.cl

Specific areas: Naval History, America's political and military history, International Relations, security and defense, analysis.

Miguel Saralegui

Doctor of Philosophy, Universidad de Barcelona, Spain.

Bachelor of Philosophy, Universidad de Navarra; and Political Science, Universidad del País Vasco, Spain.

College of LIBERAL ARTS

(+56 2) 2331 1892

miguel.saralegui@uai.cl

Specific areas: International Politics, Populism, Constitutionalism and Terrorism.

41. International Relations

Fernando Wilson

Master in Political Science, mention International Relations, Universidad Católica de Chile.

Diploma in Defense Policy Management and Formulation, CHADS / National Defense University, Washington, United States.

Bachelor in History, Universidad Católica de Valparaíso.

College of LIBERAL ARTS

(+56 32) 250 3865

fernando.wilson@uai.cl

Specific areas: Naval History, America's political and military history, International Relations, security and defense, analysis.

42. Internet of Things

Alejandra Beghelli

Ph.D. in Electronic and Electrical Engineering, UCL, United Kingdom.

College of ENGINEERING AND SCIENCE

(+56 32) 250 3824

alejandra.beghelli@uai.cl

Specific area: computer networks, fiber optic networks, network performance evaluation, algorithm.

Gonzalo Huerta

Ph.D. in Information and Communications, Kaist-Korea Advanced Institute of Science & Technology, Korea.

College of ENGINEERING AND SCIENCE

(+56 32) 250 3719

gonzalo.huerta@uai.cl

43. Islam

Diego Melo

Diplôme d'Études Approfondies in Medieval History, Universidad de Salamanca, Spain.

Master in History, Universidad Católica de Valparaíso.

Bachelor of History, Universidad Católica de Valparaíso.

College of LIBERAL ARTS

(+56 2) 2331 1338

diego.melo@uai.cl

Specific areas: Medieval history, History of classical Islam, History of al-Andalus (Muslim Spain).

44. Journalism, Data

Carlos Franco

Master (c) in Strategic Communication, Universidad Adolfo Ibáñez, Chile.

Journalist and Bachelor in Social Communication, Universidad Católica de la Santísima Concepción, Chile.

School of JOURNALISM

(+56 2) 2331 1699

carlos.franco@uai.cl

Specific areas: Digital Media and Data Journalism.

45. Journalistic Ethics

Bárbara Fuentes Baraño

Bachelor of History and Journalist, Universidad Católica de Chile.

(+562) 2331 1348

barbara.fuentes@uai.cl

Specific areas: media, press and power, journalistic publishing, interviews, non-fiction narration, new journalism.

46. Labor Reform, Labor Code, Unemployment

Andrea Repetto

PhD. in Economics, MIT, United States.

Master in Economics, Universidad Católica de Chile.

Commercial Engineer, Universidad Católica de Chile.

School of GOVERNMENT

andrea.repetto@uai.cl

(+562) 22331 1398

Specific areas: economics and psychology, household savings and indebtedness, education economics, labor economics.

47. Law, Administrative

Christian Rojas

Doctor of Law, Pontificia Universidad Católica de Chile.
Master in Legal Science, Pontificia Universidad Católica de Chile.
Lawyer, Universidad de Valparaíso.
College of LAW
(+56 32) 250 3775
christian.rojas@uai.cl

Specific Areas: administrative law, environmental law and water law.

José Miguel Valdivia

Lawyer, Universidad de Chile.
Master in Public Internal Law, Panthéon-Assas (Paris II)(2001).
Doctor of Public Law, Panthéon-Assas (Paris II) (2010).
College of LAW
(+562) 2 3311420
jvaldivia@uai.cl

Specific areas: regulation of public services, state responsibility, administrative contracting, control of state administration.

Ramiro Mendoza

Lawyer, Universidad de Chile
Dean, College of LAW
(+56 2) 2331 1361
ramiro.mendoza@uai.cl

Specific areas: Administrative law, Transparency, State.

48. Law, Civil

Adrián Schopf

Lawyer, Universidad de Chile.
Doctor of Law, Universität München, Germany.
College of LAW
(+562) 2 3311421
adrian.schopf@uai.cl

Specific areas: contracts, obligations, goods, civil liability.

Esteban Pereira

Lawyer, Universidad de Chile.
College of LAW
(+562) 2 3311709

esteban.pereira@uai.cl

Specific areas: legal philosophy, civil liability.

Fabián Elorriaga De Bonis

Doctor of Law, Universidad de Navarra, Spain.

Lawyer, Pontificia Universidad Católica de Valparaíso.

College of LAW

(+56 32) 250 3787

fabian.elorriaga@uai.cl

Specific Areas: civil law, civil liability, contract law and inheritance law.

Susana Espada

Lawyer, Universidad Autónoma de Madrid.

Doctor of Law, Universidad Autónoma de Madrid.

College of LAW

(+562) 2 33116 66

susana.espada@uai.cl

Specific areas: family law and inheritance law, new models of family and unmarried couples.

49. Law, Commercial

Oswaldo Lagos

Doctor of Law, Universidad de los Andes, Chile.

Lawyer, Universidad Adolfo Ibáñez.

College of LAW

(+562) 2 3311317

osvaldo.lagos@uai.cl

Specific areas: Consumers, Corporate Governance, Insurance and Companies.

50. Law, Constitutional

Antonio Bascuñán

Lawyer, Universidad de Chile; Diploma, Universität München, Germany.

College of LAW

(+562) 2 3311147

a.bascunan@uai.cl

Specific areas: bioethics, crimes and penalties, economic crimes, ethics of the legal profession, history of legal methodology, constitutional rights, sexual and reproductive rights, justice and liberalism, theory of law.

Ramiro Mendoza

Lawyer, Universidad de Chile.

Dean, College of LAW

(+562) 2 3311361

ramiro.mendoza@uai.cl

Specific areas: constitutional and administrative law.

Rodrigo Correa

Lawyer, Universidad de Chile.

Doctor of Law, Yale University, United States.

College of LAW

(+562) 2 3311361

rodrigo.correa@uai.cl

Specific areas: public law and law theory.

Verónica Undurraga

Lawyer and Doctor of Law, Universidad de Chile

College of LAW

(+562) 2 33117 08

veronica.undurraga@uai.cl

Specific areas: human rights, fundamental rights, sexual and reproductive rights, gender.

51. Law, Criminal and Criminal Procedure

Antonio Bascuñán

Lawyer, Universidad de Chile; Diploma, Universität München, Germany.

College of LAW

(+562) 2 3311147

a.bascunan@uai.cl

Specific areas: bioethics, crimes and penalties, economic crimes, ethics of the legal profession, history of legal methodology, constitutional rights, sexual and reproductive rights, justice and liberalism, theory of law.

Felipe de La Fuente

Lawyer, Universidad Católica de Valparaíso.

Vice-Dean, College of LAW, Viña del Mar Campus.

College of LAW

(+5632) 2 503785

felipedelafuente@uai.cl

Specific areas: criminal law, crime theory, philosophy of action, subjective imputation, economic crimes.

Javier Wilenmann

Doctor, Alberts-Ludwig-Universität Freiburg; LL.M., Universität Regensburg.
Lawyer, Universidad de Chile.

Director of Research, College of LAW

College of LAW

(+56 2) 2331 1735

javier.wilenmann@uai.cl

Specific areas: criminal law, theory of law, philosophy of law.

Juan Pablo Cox

Doctor of Law, Universidad Pompeu Fabra, Spain.

Lawyer, Universidad Adolfo Ibáñez.

College of LAW

(+56 32) 250 3890

juan.cox@uai.cl

Specific Areas: Criminal Law and Sexual Offences.

52. Law, Environmental

Christian Rojas

Doctor of Law and Master in Legal Science, Pontificia Universidad Católica de Chile.

Lawyer, Universidad de Valparaíso.

College of LAW

(+56 32) 250 3775

christian.rojas@uai.cl

Specific areas: administrative law, environmental law and water law.

53. Law, Human Rights

Verónica Undurraga

Doctor of Law and Lawyer, Universidad de Chile.

College of LAW

(+56 2) 2331 1708

veronica.undurraga@uai.cl

Specific areas: human rights, women.

54. Law, Labor

Caterina Guidi

Lawyer, Universidad Adolfo Ibáñez.

Master in Law, mention Private Law, Universidad de Chile.

College of LAW

(+56 02) 2331 1244

caterina.guidi@uai.cl

Specific areas: bioethics, labor law, social security, pre-occupational and occupational examinations, genetic testing and HIV testing in employment relationships.

Sergio Gamonal

Lawyer, Universidad de Chile.

College of LAW

(+562) 2 3311256

sergio.gamonal@uai.cl

Specific areas: collective bargaining, right to strike, fundamental workers' rights, moral damage in the employment relationship.

55. Law, Procedural

Sophía Romero

Master in Public Law, Universidad de los Andes.

Lawyer, Universidad Católica del Norte.

Bachelor of Law, Universidad Católica del Norte.

College of LAW

(+56 32) 250 3768

sophia.romero@uai.cl

Specific areas: civil procedural law and labor procedural law, courts of law, judicial proceedings, procedural and administrative contentious reforms.

56. Law, Public International

Fernando Laiseca

Lawyer, Universidad de Deusto, Spain.

Master in International Studies, U. Complutense de Madrid.

College of LAW

(+562) 2 3311318

flaiseca@uai.cl

Specific areas: economic law, international law, European Community law, regional integration processes (APEC, FTAA, MERCOSUR).

57. Law, Sexual and Reproductive Rights

Antonio Bascuñán

Lawyer, Universidad de Chile.

Diploma, Universität München, Germany.

College of LAW

(+562) 2 3311147

a.bascunan@uai.cl

Specific areas: bioethics, crimes and penalties, economic crimes, ethics of the legal profession, history of legal methodology, constitutional rights, sexual and reproductive rights, justice and liberalism, theory of law.

Michelle Sadler

Social Anthropologist and Master in Gender Studies, Universidad de Chile. Master of Science in Medical Anthropology, University of Oxford, England.

College of LIBERAL ARTS

(+56 2) 2331 1897

michelle.sadler@uai.cl

Specific areas: sexual and reproductive rights, model of gestation-birth-nurture care, interactions between health systems, problems with current health models.

Verónica Undurraga

Doctor of Law, Lawyer, Universidad de Chile.

College of LAW

(+56 2) 2331 1708

veronica.undurraga@uai.cl

Specific areas: human rights, women.

58. Law, Taxation

Francisco Saffie

Doctor of Law, Edinburgh University, United Kingdom.

Master in Taxation, Universidad de Chile.

Lawyer, Universidad de Chile.

College of LAW

(+56 2) 2331 1383

francisco.saffie@uai.cl

Specific areas: tax law, legal and political philosophy.

59. Leadership

Gregorio Etcheverry

Master of Arts in Management and Organizational Analysis, The University of Warwick, United Kingdom.

School of BUSINESS

gregorio.etccheverry@uai.cl

Specific area: Strategic leadership and organizational transformation.

Ignacio Martin

Master in Public Management, Harvard University, United States.

Telecommunications Engineer, Technische Hochschule Darmstadt, Germany.

School of BUSINESS

ignacio.martin@uai.cl

Juan Carlos Eichholz

Master in Public Policy, Harvard University, United States.

Postgraduate degree in Leadership, Harvard University, United States.

Lawyer, Pontificia Universidad Católica de Chile.

Director, UAI Center for Strategic Leadership.

School of BUSINESS

(+56 2) 2331 1234

juan.eichholz@uai.cl

Specific area: Strategic leadership.

60. Marketing – Retail

Bracey Wilson

Commercial Engineer, Pontificia Universidad Católica de Chile.

School of BUSINESS

(+56 2) 2331 1841

bracey.wilson@uai.cl

Constanza Bianchi

Ph. D. Management, Queen's University, Canada.

School of BUSINESS

(+56 2) 2331 1659

constanza.bianchi@uai.cl

Specific areas: marketing, international retail, tourism and education.

France Schurmann

Master in Social Economics, Universität Hamburg, Germany.

School of BUSINESS

(+56 32) 2250 3860

France.schurmann@uai.cl

Specific areas: marketing, retail and consumer behavior.

Luciano Castellucci

Master in Marketing, Universidad Adolfo Ibáñez, Chile.

School of BUSINESS

(+56 9) 9078 4919

luciano.castellucci@uai.cl

61. Mental Health

Eva Dauelsberg

Master in Adult Clinical Psychology, Universidad de Chile.

Psychologist, Universidad Andrés Bello, Chile.

School of PSYCHOLOGY

(+56 32) 250 3813

eva.dauelsberg@uai.cl

Specific areas: personality psychology, psychoanalysis, developmental psychology, parental skills, attachment and child developmental psychology.

Joaquín Gaete

PhD. in Counselling Psychology, University of Calgary, Canada.

Master in Clinical Psychology, Universidad Adolfo Ibáñez.

Psychologist, Pontificia Universidad Católica de Chile.

School of PSYCHOLOGY

(+56 32) 250 3804

joaquin.gaete@uai.cl

Specific areas: clinical psychology, child and juvenile psychology, family therapy, change processes in psychotherapy, social justice and clinical supervision.

María Josefina Escobar

Doctor in Psychotherapy, Pontificia Universidad Católica de Chile - Universidad de Chile - Universität Heidelberg, Germany.

Master in Psychology, Clinical Psychology for Children and Youth, Universidad de Chile.

Master in Psychotherapy, Pontificia Universidad Católica de Chile.

Bachelor in Psychology, Universidad Católica de Cuyo, San Juan, Argentina.

School of PSYCHOLOGY

(+56 2) 2331 1742

mjosefina.escobar@uai.cl

Specific areas: early bonding, attachment, adoption, institutionalization-foster homes.

Paula Cornejo

Doctor of Psychology, Deusto España, Spain.

Master in Mental Health and Psychotherapeutic Techniques, Universidad de Deusto, Spain.

Psychology, Pontificia Universidad Católica de Valparaíso.

School of PSYCHOLOGY

(+56 32) 250 3825

paula.cornejo@uai.cl

Specific areas: Mental Health, Clinical Psychology, Psychology of Health, Personality, Psychodiagnosis and Elderly Adults.

Roberto Arístegui

Doctor of Philosophy, Universidad de Chile.

Master in Philosophy, Universidad de Valparaíso, Chile.

Psychologist, Universidad Católica de Chile.

School of PSYCHOLOGY

(+56 2) 2331 1131

roberto.aristegui@uai.cl

Specific areas: experiential perspective, first-person methodologies as a factor of change, philosophy of language, speech acts.

Ruth Weinstein

Master in Clinical Psychology, Universidad del Desarrollo.

School of PSYCHOLOGY

ruth.weinstein@uai.cl

Specific areas: psychological and projective tests.

Teresa Quintana

Doctor in Social Sciences, Tilburg University, Netherlands.

School of PSYCHOLOGY

(+56 2) 2331 1601

teresa.quintana@uai.cl

Specific areas: infantile and juvenile psychotherapy, children's temperament, construction of reality and self-esteem.

62. Metallurgy and Materials

Paula Rojas Saperas

Civil Metallurgical Engineer, Universidad de Santiago de Chile.

PhD in Engineering Sciences, mention Science and Materials Engineering, Universidad de Santiago de Chile.

DESIGN Lab

(+56 2) 2331 1812

paula.rojas.s@uai.cl

Specific areas: powder metallurgy, copper metallurgy, sustainable materials.

63. Mindfulness

Claudio Araya

PhD in Psychotherapy Research, Pontificia Universidad Católica de Chile- Universidad de Chile.

Master in Clinical Psychology, Universidad Adolfo Ibáñez.

Master in Psychotherapy, Pontificia Universidad Católica de Chile.

Psychologist, Pontificia Universidad Católica de Chile.

School of PSYCHOLOGY

(+56 2) 2331 1732

claudio.araya@uai.cl

Specific areas: Psychology of wellness, mindfulness, compassion, self-compassion, relational perspective, clinical skills development.

64. Mining

Juan Daniel Silva

Civil Mining Engineer, Universidad de Chile,

Diplôme d'Études Approfondies and Docteur, Ecole des Mines de Paris, France.

College of ENGINEERING AND SCIENCE

(+56 2) 2331 1165

juandaniel.silva@uai.cl

Specific areas: mining technologies and planning; research, development and technological innovation in mining, road mapping in mining.

Claudia Monreal

MBA, Adolfo Ibáñez School of Management, United States.

College of ENGINEERING AND SCIENCE

(+56 32) 250 3739

claudia.monreal@uai.cl

65. Neuropsychology

Alonso Ortega González

Doctor of Science, Universität Bielefeld, Germany.

Master in Psychology, Pontificia Universidad Católica de Chile.

Psychologist, Universidad de Valparaíso.

School of PSYCHOLOGY

(+56 32) 2503876

alonso.ortega@uai.cl

Specific areas: cognitive assessment, clinical neuropsychology, psychometrics, quantitative research methodology and dementia neuropsychology.

66. Neurosciences

Agustín Ibáñez

Doctor in Psychology, Pontificia Universidad Católica de Chile.

School of PSYCHOLOGY

agustin.ibanez@uai.cl

Specific areas: social neuroscience in neuropsychiatry, cognitive neurology and neurodegenerative diseases.

Huepe, David

Doctor in Psychology, Pontificia Universidad Católica de Chile.

Master in Social Sciences, mention Sociology, Universidad de Chile.

Bachelor in Sociology and Sociologist, Universidad de Concepción.

School of PSYCHOLOGY

(+56 2) 2331 1741

david.huepe@uai.cl

Specific areas: social neuroscience; social cognition; Self; fluid intelligence, social isolation and social adaptation.

67. Organizations

Felipe Valdivieso

Doctor in Sociology, l'Université IX Paris-Dauphine, Paris, France.

Psychologist, Pontificia Universidad Católica de Chile.

School of PSYCHOLOGY

(+56 32) 250 3704

felipe.valdivieso@uai.cl

Specific areas: communication and organizational change, sociology of innovation, participatory methodologies and organizational dynamics, social psychology, sociology and organizational communication.

Jaime Hernández

Doctor in Psychology, Universidad de Complutense de Madrid, Spain.

MBA, Universidad de Lleida, Spain.

Master in Behavior and Organizational Development, Universidad Diego Portales.

Psychologist, Universidad de la Frontera.

School of PSYCHOLOGY

(+56 32) 250 3728

jaime.hernandez@uai.cl

Specific areas: development and implementation of training actions, personnel selection, development of work teams, leadership and organizational change processes, competency management, work environment studies and coaching processes.

Jorge Sanhueza

Psychologist, Universidad Católica de Chile.

Master in Management and Public Policies, UAI.

Dean, UAI School of PSYCHOLOGY.

School of PSYCHOLOGY

(+56 2) 2331 1446

jorge.sanhueza@uai.cl

Specific areas: organizational development, leadership and organizational communication, appreciative inquiry, public policies.

Mariana Bargsted

Doctor in Social and Organizational Behavior, Universidad Autónoma de Madrid.

School of PSYCHOLOGY

(+56 2) 23311815

mariana.bargsted@uai.cl

Specific areas: career paths, employability, aging and work.

68. Pensions

Eduardo Fanjzylber

PhD. in economics, University of California at Los Angeles, United States.
Civil Industrial Engineer, Universidad de Chile.
School of GOVERNMENT
(+56 2) 331 1361
eduardo.fajnzylber@uai.cl
Specific areas: Pensions system, unemployment insurance.

Felix Villatoro

Ph. D. in Economics, Universidad Católica de Chile.
School of BUSINESS
(+562) 2331 1232
felix.villatoro@uai.cl
Specific areas: financial economics, public policy and finance.

Gonzalo Islas

Ph.D. in Economics, University of California, Los Angeles, United States.
School of BUSINESS
(+56 2) 2331 1303
gonzalo.islas@uai.cl
Specific areas: Chilean economic history and corporate governance.

Ignacio Briones

PhD. in Economics, Science-Po, Paris, France.
Master in Economics, Master in Political Science, Pontificia Universidad Católica de Chile.
Commercial Engineer, Pontificia Universidad Católica de Chile.
Dean, School of GOVERNMENT
(+562) 2331 1361
ignacio.briones@uai.cl
Specific areas: international finance, public finance, political institutions and processes, public policies.

Javier Bronfman

Commercial Engineer, mention in Economics, Universidad de Chile.
Master in Public Administration, New York University, United States.
PhD in Public Administration and Public Policies, American University, Washington D.C., United States.
Director of the Master in Economics, Public Policy (MEPP) program.
School of GOVERNMENT
(+562) 2331 1711
javier.bronfman@uai.cl

Specific Areas: poverty and social policies, with emphasis on education, health and social protection policies.

Marcelo Villena

PhD. and M.Phil., University of Cambridge, England.

M.A., University of Leeds, England.

Civil Industrial Engineer, Universidad de La Frontera, Chile.

College of ENGINEERING AND SCIENCE

(+56 2) 2331 1491

marcelo.villena@uai.cl

Specific areas: economics and public policies.

Pablo Castañeda

Ph. D. in Economics in Boston University, Masters of Arts in Political Economy, Boston University, United States.

School of BUSINESS

(+562) 2331 1193

pablo.castaneda@uai.cl

Specific areas: finance, portfolio selection, asset valuation and financial innovation.

69. Philanthropy

Magdalena Aninat

Journalist, Pontificia Universidad Católica de Chile; postgraduate degree in Administration with mention in Culture, Universidad de Chile.

Director, UAI Center for Philanthropy and Social Investments.

School of GOVERNMENT

(+562) 23311803

[magdalena.aninat@uai.cl](mailto:magdalenaaaninat@uai.cl)

70. Philosophy of Law

Francisco Saffie

Doctor of Law, Edinburgh University, United Kingdom.

Master in Taxation, Universidad de Chile.

Lawyer, Universidad de Chile.

College of LAW

(+56 2) 2331 1383

francisco.saffie@uai.cl

Specific areas: tax law, legal and political philosophy.

Sebastián Figueroa

Doctor of Law, Universitat de Girona, Spain.

Lawyer, Universidad de Chile.

College of LAW

(+56 32) 250 3887

sebastian.figueroa@uai.cl

Specific areas: theory of norms, theory of action and moral philosophy.

71. Physical Sciences**Andrés Anabalón Dupuy**

Doctor in Physics, Universidad de Concepción.

Bachelor of Applied Physics.

College of LIBERAL ARTS

(+56 32) 250 3746

andres.anabalon@uai.cl

Specific Areas: general relativity and black holes.

Andrés Gomberoff

PhD in Physics, Universidad de Chile.

College of ENGINEERING AND SCIENCE

(+56 2) 2331 1384

andres.gomberoff@uai.cl

Áreas Específicas: física de agujeros negros y cosmología, física de altas energías.

Felipe Asenjo

Doctor in Physics, Universidad de Chile.

College of ENGINEERING AND SCIENCE

(+56 2) 2331 1779

felipe.asenjo@uai.cl

Specific Areas: theoretical physics, plasma physics, quantum mechanics and general relativity.

Francisco Rojas

Doctor in Physics, University of Florida, United States.

College of ENGINEERING AND SCIENCE

(+56 2) 2331 1756

francisco.rojasf@uai.cl

Sergio Hojman

Philosophiae Doctoris, Princeton University, United States.

College of LIBERAL ARTS

(+56 2) 331 1618

sergio.hojman@uai.cl

Specific Areas: mathematical physics, general relativity, inverse problem of calculation of variations, symmetries and conservation laws.

72. Populism

Miguel Saralegui

Doctor of Philosophy, Universidad de Barcelona, Spain.

Bachelor of Philosophy, Universidad de Navarra; and of Political Science, Universidad del País Vasco.

College of LIBERAL ARTS

(+56 2) 2331 1892

miguel.saralegui@uai.cl

Specific areas: International Politics, Populism, Constitutionalism and Terrorism.

73. Public Policies in relation to Poverty

Javier Bronfman

Commercial Engineer, mention in Economics, Universidad de Chile.

Master in Public Administration, New York University, United States.

PhD in Public Administration and Public Policies, American University, Washington D.C., United States.

Director of the Master in Economics, Public Policy (MEPP) program.

School of GOVERNMENT

(+562) 2331 1711

javier.bronfman@uai.cl

Specific Areas: poverty and social policies, with emphasis on education, health and social protection policies.

Julio Guzmán

PhD. in Economics, University of Chicago, United States.

Master in Economics and Commercial Engineer, mention Economics, Pontificia Universidad Católica de Chile.

School of GOVERNMENT

(+562) 2331 1311

julio.guzman.c@uai.cl

Specific areas: labor economics, evaluation of social programs, poverty and social policies.

74. Robotics

Carolina Pino

Master in Interactive Telecommunications Program, Tisch School of the Arts, New York University, United States.

Postgraduate studies, Pontificia Universidad Católica de Chile and College of Arts at the University of Columbia, Bachelor of Arts, Universidad de Chile.

DESIGN LAB

(+562) 2331 12 04

maria.pino@uai.cl

Specific areas: electronics and art.

Diego Pinochet

Master of Science in Architecture Studies, Computation, Massachusetts Institute of Technology (MIT), United States. Architect and Master in Architecture, Pontificia Universidad Católica de Chile.

DESIGN LAB

(+562) 2331 12 54

diegopinochet@gmail.com

Specific areas: digital architecture and manufacturing.

Peter Roberts

Master of Science in Robotic Systems Development, Carnegie Mellon University, United States.

College of ENGINEERING AND SCIENCE

(+56 32) 250 3715

peter.roberts@uai.cl

75. SENAME [National Service For (the Rights of) Minors]

María Josefina Escobar

Doctor in Psychotherapy, Pontificia Universidad Católica de Chile - Universidad de Chile - Universität Heidelberg, Germany.

Master in Psychology, Clinical Psychology for Children and Youth, Universidad de Chile.

Master in Psychotherapy, Pontificia Universidad Católica de Chile.

Bachelor in Psychology, Universidad Católica de Cuyo, San Juan, Argentina.

School of PSYCHOLOGY

(+56 2) 2331 1742

mjosefina.escobar@uai.cl

Specific areas: early bonding, attachment, adoption, institutionalization-foster homes.

76. String Theory

Oswaldo Chandia

Doctor in Physis, Universidad de Chile.

College of LIBERAL ARTS

(+56 2) 2331 1361

osvaldo.chandia@uai.cl

Áreas específicas: Cuantización covariante de la supercuerda.

Specific areas: Covariant quantization of the superstring.

77. Social Networks and Consumer Trends

Arturo Arriagada

Sociologist and PhD in Sociology, London School of Economics, England.

(+562) 23311819

arturo.arriagada@uai.cl

School of JOURNALISM

Specific areas: media consumption and use of social networks, consumer trends and social networks.

78. Sociology

Aldo Mascareño

PhD in Sociology, Universität Bielefeld, Germany.

Master in Sociology, Pontificia Universidad Católica de Chile.

Bachelor of Social Anthropology, Universidad Austral de Chile.

School of GOVERNMENT

(+562) 23311687

aldo.mascareño@uai.cl

Specific areas: sociological theory and theories of law, with special emphasis on contemporary sociology, theories of global law, public policy, theories of culture and sociology in Latin America.

Arturo Arriagada

Sociologist and PhD in Sociology, London School of Economics, England.

(+562) 23311819

arturo.arriagada@uai.cl

School of JOURNALISM

Specific areas: media consumption and use of social networks, consumer trends and social networks.

Felipe Valdivieso

Doctor in Sociology, l'Université IX Paris-Dauphine, Paris, France.

Psychologist, Pontificia Universidad Católica de Chile.

School of PSYCHOLOGY

(+56 32) 250 3704
